1. Improve the App's Visual Design

- Keep the cyberpunk aesthetic to match my original logo.
- Use a dark background with neon purple, electric blue, and pink accents.
- Make the design look futuristic and consistent across all screens.

2. Add a Calendar Page

- Add a calendar page where students can view upcoming assignments, tests, and important events.
- Display due dates clearly so students can plan ahead.

3. Add a Notifications Section

- Add a small notifications tab or section.
- Notify students about upcoming assignments and approaching deadlines.
- Help students avoid forgetting important schoolwork.
